As parent or guardian of the above signatory activities participant, I acknowledge that I have reviewed the Student Activities Code and understand the rules and regulations set forth for all co-curricular participants. Therefore, I give my son/daughter permission to participate under those conditions. I also give permission to the attending physician at a school event to give first aid and care to my son/daughter should he/she require such assistance, or emergency first aid by the coach or advisor.

**PARENTS – Please take this opportunity to talk to your son or daughter about your expectations for them. This activities code is one of the many ways you communicate with your child regarding safe and appropriate behaviors. If they are to truly do their best, on the field and in the classroom, they need your guidance and support. Signing this code is an opportunity to give your guidance.**
