

Vacancy Notice

School District of Platteville

2017-2018 Co-Curricular Vacancies

The School District of Platteville is seeking candidates for the following Co-Curricular positions for the 2017-18 school year:

Platteville High School

Athletics:

PHS Head Football Coach – August through November

PHS Freshmen Volleyball Coach – August through October

Activities:

Set Construction - PHS Musical, Sept.-Dec. 2017

Assist musical director by constructing a theater set of their design. Sets consist of 4x8 platforms, and 6ft-12ft stretched muslin flats, plus rolled platforms and large props. Construction/woodworking or theater experience preferred. Must be available to work when stage is free, typically weekends and Wednesday evenings. Willingness to supervise student crew members is a plus. Must collaborate closely with Set Painting person, and work well with six-member production staff. Applications accepted until April 15th.

Set Painting - PHS Musical, Sept.-Dec. 2017

Assist musical director by realizing their artistic vision of a production. Transform the stage into various time periods and locations. Construct small stage decorations, and paint the larger set. Painted surfaces may include stretched muslin flats, large hanging canvas backdrops, wood, foam, metal, or paper. Creativity and attention to detail is essential. Must be available to work when stage is free, typically weekends and Wednesday evenings. Willingness to supervise student crew members is a plus. Must collaborate closely with Set Construction person, and work well with six-member production staff. Applications accepted until April 15th.

Technical Director - PHS Musical, Sept.-Dec. 2017

Technical director is the facilitator for all aspects of production, working with directors and crew to bring the show to life. S/he is in charge of the auditorium technical systems, which includes lighting and sound. Basic understanding of stage lighting techniques and sound design preferred. The Technical Director calls the cues for the show, supervises

student staff, and collaborates closely with a six-member production staff. Applications accepted until April 15th.

Please send a letter of application and resume to:
