

Vacancy Notice  
Elementary Speech/Language Pathologist  
Long Term Substitute  
Platteville, Wisconsin

The Platteville School District is seeking a long term substitute Elementary Speech/Language Pathologist beginning on September 5 and ending on November 3, 2017.

Preferred applicants will possess a DPI certified 820 license. Responsibilities include providing direct and indirect speech/language services for elementary students. Management of all aspects of student programming include: speech/language therapy, and consulting with staff and parents effectively. Collaboration with staff and administrators is essential.

Platteville is a university community (population 11,000) located 70 miles southwest of Madison, Wisconsin and 25 miles northeast of Dubuque, Iowa. Check our website for more information. [www.platteville.k12.wi.us](http://www.platteville.k12.wi.us)

Highly motivated applicants are encouraged to apply by submitting an application through WECAN (Wisconsin Education Career Access Network) <https://wecan.education.wisc.edu/#/> or by completing the application on the Platteville School District website.

Application materials can be sent to:  
Brad Brogley  
Director of Student Achievement  
780 N Second Street  
Platteville, WI 53818

The WECAN website is:

Please phone: [608-342-4000](tel:608-342-4000) or email: [brogley@platteville.k12.wi.us](mailto:brogley@platteville.k12.wi.us) if you have questions. Apply as soon as possible. Applications will be accepted until the position is filled.

*The Platteville School District is an equal opportunity employer.*
