

Platteville School District
Vacancy Notice
Baking/Culinary Arts Instructor

Platteville High School is actively seeking an experienced Baking/Culinary Arts Instructor with Industry Experience. This is a part-time position teaching Cooking Principles and Food Safety as well as Baking 1 and 2. It is our hope that this position could grow, along with the program, and play a role in our overall Food Service Program. Instructors that could gain adjunct status with Southwest Technical College would be preferred in order to provide post-secondary credit. Platteville High has commercial kitchen facilities.

Cooking Principles and Food Safety.

Students maximize efficiency through the appropriate selection and use of commercial kitchen equipment. They apply basic cooking principles, use measuring devices, develop standardized recipes, assemble and disassemble equipment, and analyze types of cooking. Students study the conditions which cause food contamination and spoilage, safe food handling techniques, and how to prevent accidents. Student use state and federal regulations, apply HACCP principles, and complete the Wisconsin Certified Food Manager exam.

Baking 1

Students apply the baking process, scale ingredients, mix and handle batters and doughs , and apply icings utilizing standardized recipes. Students produce quick breads, basic yeast breads, pies, cakes, cookies, and convenience products.

Baking 2

Building upon the skills learned in Baking 1, students produce items including artisan breads, doughnuts, upscale pies, assorted pastries and European style tortes. Basic cake decorating is also included.

The district is open to alternative routes to teaching certification. Highly motivated individuals are encouraged to apply by submitting an application through WECAN (Wisconsin Education Career Access Network). The WECAN website is <http://services.education.wisc.edu/wecan>
